¡Explorar!

ACLAMO Summer Bridge Program at the Morris Arboretum
Summer 2022

The Morris Arboretum and ACLAMO Family Center are seeking educators to work in their summer enrichment program. Running Monday-Friday for 6 weeks (July 5-Aug 13) from 8:30 am to 1:30 pm, ¡Explorar! educators will lead hands-on STEM activities, nature walks and games, for English language learners ages 10-14.

This position requires creative thinking with an enthusiastic spirit, energy and strong leadership skills. This position requires being on your feet for up to 6 hours, with accommodation. Educators will be paired with a member of the ACLAMO staff and a counselor-in-training, leading a group of about 10 students.

Qualifications/Requirements:

- Commitment to full 6-weeks’ program
- Passion for science
- Ability to present a series of creative and engaging hands-on activities that will inspire summer learners in an informal setting
- Willingness to work both independently and collaboratively with other program staff
- Must be able to lift up to 20 lbs. with reasonable accommodations
- Valid PA driver’s license
- Valid PA child abuse history clearance, fingerprinting, and PA State Police Criminal Record Check
- Bachelor’s degree with two-year’s classroom teaching experience preferred

Compensation: $18/hour. Additionally, educators will be paid for 12 hours of prep in late May, and daily reflection sessions after the program begins.

Application: Email resume, cover letter, and three work related references to Liza Hawley, efhawley@upenn.edu using subject line: ACLAMO educator
