### **\*\*Is nature camp right for your child?\***

We are a nature camp. We spend the majority of our day outside in nature—not in air conditioning. Our campers hike and navigate uneven terrains throughout the Arboretum. Safety is our number one priority, however, injuries can still occur. Children encounter bees, biting insects, slippery terrain, and tree roots, which all can pose as hazards. Together, we enjoy fun, physical activities under careful supervision of Arboretum education staff, who are trained classroom teachers. With the guidance of educators, campers must listen to directions, stay with the group, adhere to camp rules and take accountability for their own safety. Please see *Parent Handbook* for more information about our camp and rules.
