

Great Trees at Morris Arboretum

Start by taking a virtual tour of Great Trees [here](#). Then, find and circle common names of 12 of the trees in the puzzle grid below. Names may go across, down, or diagonally.

Extra credit: On the back of this page, draw the Cilician Fir and Weeping Canadian Hemlock side by side, using photographs online as your guide. Choose nicknames for the two trees and write them on your picture.

Cercidiphyllum japonicum
katsura-tree
