WELCOME

DEAR FRIENDS,

Welcome to the Morris Arboretum & Garden's 44th annual *Moonlight & Roses* gala. *Moonlight & Roses* is an opportunity for us to gather in the gardens for an unforgettable evening and to show our support and appreciation for the Morris's education and outreach programs, plant science research, and beautiful horticultural display.

Each year the Morris selects honorees who are performing important work in our community and beyond. This year we are proud to honor Rob Cardillo, an esteemed garden photographer, along with our institutional honoree, Eagles Go Green.

We applaud the work that our honorees are doing to improve our communities and connect people with the natural world. Please see pages 4 and 5 for more information on both of our honorees.

This event would not have been possible without the hard work and dedication of the *Moonlight & Roses* host group. We are grateful to them and to you, our attendees, for your generosity and for joining us tonight in celebration of the Morris Arboretum & Gardens and this year's honorees.

WILLIAM CULLINA
The F. Otto Haas Executive Director

EVENT CONCLUDES

HONOREE

INDIVIDUAL HONOREE

Rob Cardillo

Rob Cardillo has been photographing gardens, plants and the people who love them for almost thirty years. He has more than twenty-five books to his credit including *Private Edens*, *The Private Gardens of South Florida*, *The Art of Gardening at Chanticleer*, *The Layered Garden* and his most recent book, *Private Gardens of Philadelphia*. He is a founding partner of Blue Root Media, which produces *GROW*, the award-winning magazine of the Pennsylvania Horticulture Society. His work is also frequently seen in major garden publications and news outlets. Winner of numerous photography awards, he is also a member of the GardenComm Hall of Fame.

HONOREE

INSTITUTIONAL HONOREE

Eagles Go Green

The Eagles, who wear the color green with pride, are committed to serving as proud environmental stewards for the community that gives so much to them throughout the year. They have developed a multi-operational action plan that incorporates green energy production, recycling and composting, reforestation, ocean conservation, emission reduction, and energy efficiency. Lincoln Financial Field has been certified as a LEED Platinum stadium for implementing practical and measurable strategies and solutions aimed at achieving high performance in sustainable site development, water savings, energy efficiency, materials selection, and indoor environmental quality. They have installed two cycle reverse vending machines (RVMs), making Lincoln Financial Field the first NFL stadium to utilize the machines, which are designed for beverage container recycling.
