EVENT DETAILS

Moonlight & Roses

JUNE 5, 2026

Moonlight & Roses has been a landmark event in the Philadelphia region for four decades. Today, the event provides a beautiful forum in which to celebrate excellence and leadership in environmental stewardship. More than 450 guests attend the gala. This year, the event will include dinner in our signature tent, after which guests may explore our stunning Rose Garden, Pennock Flower Walk, and Garden Railway. For those who love dancing, guests can enjoy the new Dancing After Dark Reception. Your sponsorship directly supports the Morris Arboretum & Gardens' important role as a premier destination for environmental outreach, education, and research.

Enclosed please find a list of sponsorship levels. In addition to this full array of benefits, sponsors are also offered a variety of a la carte promotional opportunities which offer more ways to position your brand. A la carte options can be purchased on their own or in addition to a general sponsorship.

INDIVIDUAL HONOREE:

ELLEN HASS

This year, we are delighted to honor Ellen Nalle Hass at *Moonlight & Roses* for her longtime support of the Morris. From her early days roaming the Wissahickon, Ellen's life has been driven by a reverence for nature. She lives by John Muir's mantra: "I go to nature to be soothed and healed, and to have my senses put in order." Ellen is a longtime neighbor and member, and served on the Board of Advisors for two decades. For six of those years, Ellen was the Board chair and provided strong and enduring leadership during a time of institutional transition. Professionally, she has worked at Conde Nast, Applause Magazine of WHYY, Springside Chestnut Hill Academy (SCH), and is now with Team Whetzel at Kurfiss Sotheby's real estate. She is a board member of Chanticleer Garden of Wayne, PA, the President of the Henrietta Tower Wurms Memorial Foundation, and a former board member of the Children's Aid Society and SCH. Ellen and her husband, Jay, enjoy visits from their three grown children, Charlotte, Johnny, and Robert, who grew up enjoying the beauty of, and learning from, the Morris Arboretum & Gardens.
